MUSIC INSTRUMENT LESSONS – TODAY is Clarinet and Saxophone. TOMORROW – Drums. Timetables are on the Music Room windows.

BREAKFAST CLUB: CANTEEN ONLY TODAY – Free breakfast: Bread, Weetbix and milk, at the Canteen, TODAY, from 11-11.15am.

ORCHESTRA – Is on TODAY at 3pm in Room 26. First year players also welcome.

TABLETOP GAMES CLUB - The Tabletop Games Club is on TODAY from 3pm in T6 (Upstairs Tech Block). Whether you're already into strategy games, card games, or just want to try something new, come along and join in, all are welcome. For more information, see Mr L Smith, Mr Blagojevity or Mr McPherson.

BREAKFAST RUNNING CLUB - The Breakfast Running Club will leave from the Hockey Turf at 7:30am sharp every Tuesday and Friday. Runners of all speeds, abilities and ages are welcome. We then meet for breakfast (\$2) in the Catering Suite after.

BOOK GANG - Book Gang meets each Friday in L1 at lunchtime. Bring your lunch and come along to join in with those who share a love of reading and books.

THEATRESPORTS - All are welcome, Friday 3-4 in the Drama room. See Mr McKenzie or Miss Welvaert for more info, or just show up.

SPORTS LEADERS BREAKFAST - Our very own 2024 Paris Olympian, Swimmer, Kane Follows will be the guest speaker. Tuesday 22nd October, 7:30am-8:30am at Otago Polytech's, Manaaki. The school will cover the cost of your attendance including the breakfast. King's can bring up to 8 students, these students can be our prefects, sports leaders, students who have achieved in sports or have shown our schools values well through sport. To apply to attend please email: Henri Mitchell-Collie on: sportsadministrator@kingshigh.school.nz Make sure you include any dietary requirements as well! Registrations for this year's Sports Leaders Breakfast close on - Thursday the 17th of October at 9 a.m.

SPORTS AWARDS - The King's High School Sports Awards will be held next Wednesday, 23rd of October in the PAC. All members of senior first teams will be required to be there in full school uniform by 6pm. If you are unavailable to attend please come up to the sports department to let us know.

ROWING WITH KHS AND NERC - If King's High School students would like to experience rowing, North End Rowing Club (NERC) are having an Open day on Saturday 19th October at 54 Magnet St Dunedin. Potential rowers are invited to come along at 9am to try-out rowing and / or to sign up for the KHS 'Learn to Row' programme. Hayden George, Captain of North End Rowing Club, explains: "King's High School 'Learn to Row' is a 5-week introduction to rowing programme, where you learn the basics about rowing. Rowing in a team offers a unique depiction of team building and demonstrates what a team can look like when all members are working as one. Rowing is one of the most physically demanding sports. Unlike many other sports, rowing uses practically every muscle in the body. Rowing is also the most successful sport at the Olympics for New Zealand over the years. Many scholarships for overseas universities are available for successful NZ rowers."

If you'd like to try out rowing at the NERC Open day, wear warm, close-fitting sport clothes that you are happy getting wet (such as shorts, socks and long-sleeved top / sports hoodie / slide or trainers) and bring a towel and change of clothes. You are also very welcome to join the School Crews at NERC from 10.30 am on Saturday 19th October as they look forward to the coming year. King's High School Rowing Crew row out of NERC, along with rowers from Queen's and St Hilda's Collegiate. During the season, the Crews row at regattas in Central Otago (Twizel and Lake Dunstan) and on the Otago Harbour. Every two years, the King's High School Crew compete at the Maadi Cup. For any further information, please e-mail Rod Bannister: directorofsport@kingshigh.school.nz

Senior/Tuakana

SCHOLARSHIP WRITING TUTORIAL - All scholarship candidates are encouraged to attend an Essay Writing Tutorial with Professor Tony Ballantyne, period 5, TODAY. This will be held in the library. Please be checked off the roll with your period 5 teacher and proceed to the library.

DEFENSIVE DRIVING COURSE - I am now taking names for the Term Four Defensive Driving Course. The course is now able to be completed in two sessions, and the dates are: Tuesday the 29th and Thursday the 31st of October. The course is run here at King's High School in Room 28 from 3.00pm – 5.15pm The cost for the course is \$70 per student. PLEASE NOTE: You must have held your learner's license for at least 3 months, and you must be able to commit to all four sessions of the course. Please register your interest (including your mobile number) with Mrs Elder at – pathways@kingshigh.school.nz I already have five names on the list and this is a first in, first served basis.

BARTENDING COURSE - The Learning Place is running this course on the 28th and 29th of November. This course has 10 level 3 credits. You will be muddling, blending, layering, and shaking your way into making a range of creative non-alcoholic cocktails. You will also learn about the characteristics of popular spirits, liqueurs, RTDs, and non-alcoholic mixers, and serve customers in a simulated licensed premise. If you are a year 11, 12 or 13 student, keen to do this course, please email Mrs Elder, with your name and mobile number to pathways@kingshigh.school.nz

WORK READY BARISTA COURSE - This course is to be held on the 11th and 12th of December. Once again run by The Learning Place, in this simulated café, you will learn and demonstrate safe work practices, espresso beverage making, and customer interactions in a café environment. This course has 10 level 2 credits. If you are interested, please email Mrs Elder, with your name and mobile number to pathways@kingshigh.school.nz

OTAGO POLYTECH BACHELOR OF APPLIED SCIENCE INFORMATION SESSION - If you are thinking about studying the Bachelor of Applied Science at Otago Polytech next year or have questions, head along to this webinar on Wednesday 23rd October at 7pm. The webinar will provide overview of the Bachelor of Applied Science degree, what the degree involves, who may be interested in studying this degree, what is involved in the programme, and look at the sorts of jobs or careers that graduates have gone into. You will need to register you attendance via the following link: <https://www.op.ac.nz/about/events/online-information-session-bachelor-of-applied-science>. Any questions see Mrs Campbell.
